

NEW JERSEY SCIENCE TEACHERS ASSOCIATION, Inc.

Doris White Memorial Scholarship

Overview

The Doris White Memorial Scholarship is being awarded in honor of Dr. Doris Gnauck White, in tribute to her unflinching enthusiasm for, and devotion to, both scientific research and the professional development of teachers. She was a distinguished scientist, an inspiring educator, and a valued friend of New Jersey Science Teachers Association (NJSTA). In 2001, the organization awarded Dr. White its highest honor, the NJSTA Citation Scroll, which cited her willingness to share her expertise with teachers and students to improve science teaching in New Jersey, her ever-constant interest in and research into significant issues in science, her uncanny ability to incant somnolent activity in poultry, her courageous ability to enthusiastically approach life's circumstances with a positive and friendly manner, and her loyalty and leadership in attaining the goals of our association.

Highlights

This scholarship provides the recipient with:

- registration to attend one day of the Forty-third Annual New Jersey Science Convention to be held on October 22nd and 23rd, 2019 in Princeton, NJ.
- year long membership in NJSTA.

Eligibility Guidelines

- open to undergraduate students who are currently enrolled in a Teacher Education Program at a New Jersey institution of higher education.
- applicants should be prospective teachers who enjoy teaching science to students at any grade level, from pre-kindergarten through grade 12.

Application Timeline

- complete the attached two (2) page application (completion of page 3 is optional) and submit all materials in one package to the email address on page 2 of the application.
- **Please note: Complete this application electronically. THEN RE-NAME THE DOCUMENT & SAVE YOUR NEW FILE before you email your application.**
- please submit an application electronically by **noon (12PM) Monday, October 14, 2019.**
- notification of award will be made before or on Wednesday, October 16, 2019.
